OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

*In America every five years
the number of women who
die as a result of domestic
violence is as many as the
number of soldiers killed
during Vietnam.*

*2005- In Pennsylvania,
180 victims died as a
result of domestic violence.*

*Violence against women
occurs in 25% of dating
relationships.*

*78% of all domestic
violence homicides occur
when the victim tries to
leave or has left.*

If we have the
opportunity to be
generous with our
hearts, ourselves,
we have no idea of
the depth and
breadth of love's
reach.
