Waiver of Responsibility: I wish to participate in the A Round Fore Randi Inaugural Golf Outing. I understand that my execution of this Waiver and Release is a prerequisite for participation in the Event. I further understand that I assume all risks and dangers inherent in participating in the event and hold harmless Randi's House of Angels and its officers, directors, vendors, agencies, sponsors, officials and volunteers from all claims or liabilities of any kind arising out of participation in the event, whether caused by negligence of the aforementioned parties, or otherwise.

THANK YOU FOR SUPPORTING A ROUND FORE RANDI

Because of the generous support from the community, last year our annual golf outing raised over \$5,800.

These proceeds gave 11 children the gift of attending Randi's Camp for Hope and Courage last summer and supported three Randi's Kidz Clubs in the fall of 2017 reaching 44 children.

Since her daughter Randi Trimble's death in January 2003, Nancy has been an advocate, speaking out against domestic violence. She uses her personal experiences as a victim of an abusive marriage and the tragic death of her daughter to reach other victims. In 2006, she established Randi's House of Angels (RHOA) providing therapeutic services dedicated to helping children who are victims of domestic violence. Her dream is to reach out to all children who suffer from the ramifications of living in an abusive household, help them overcome the issues of low self-esteem, and to live a better life.

As a result of working in partnership with the four domestic violence agencies and other community organizations in the Central PA region, she established Randi's Camp for Hope and Courage dedicated to provide an environment of compassion, encouragement, and positive praise to children who experience domestic violence in the home; and Randi's Kidz Club, a 10-week interactive group focused on helping children express feelings and emotions through games, art therapy and relaxation techniques. The curriculum helps children feel safe so they can process the feelings associated with exposure to domestic violence.

Never forget about the children as they are victims too. For more information go to: randishouseofangels.org
